INTRODUCTION TO SMALL-SCALE BIODIESEL PRODUCTION

Everything you ever wanted to know about biodiesel production

[March 26th & 27th 2010]

In 2010 Springboard Biodiesel is hosting a small-scale biodiesel production workshop. The workshop will highlight the future of the small-scale industry, the progress of technology and the development of Springboard Biodiesel products with that technology. Those who attend will have the opportunity to learn about this new technology and get professional training from Springboard Biodiesel. Some of the highlights to look forward to are:
